INTRO TO ORACLE CARDS:

Oracle decks are a tool of insight and self-reflection to add to your spiritual practice, or just to use for fun. They are easier to learn than Tarot and have so many applications in everyday life.

With the group I will have an open and interactive discussion, do some on the spot readings, and everyone will practice with each other. Six decks will be provided for people to practice with and everyone is encouraged to bring their own deck (if they have one!)

We'll cover the following info:

- What are oracle decks
- How oracle decks are different from Tarot
- How to use to use them
- How to pick a deck

Each person will receive:

- Reference sheets about: Oracle card spreads and ideas how to use oracle cards
